

ACTIONPRINTS™

L I F E S T Y L E W A L L G R A P H I C S

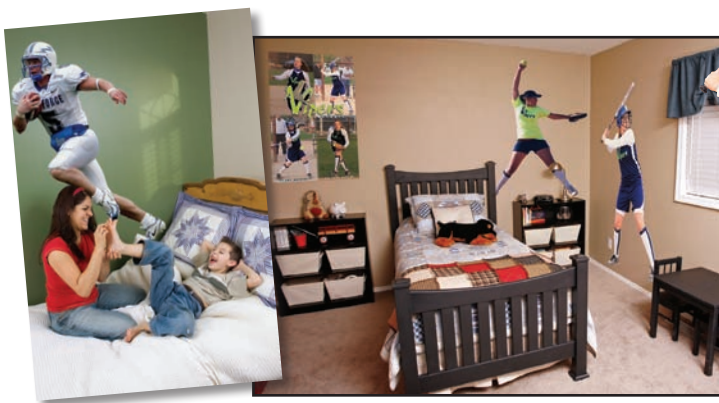

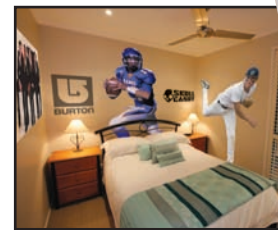

Do you want to have something special to remember your time as a cadet at the Air Force Academy? Do you want to show your children and grandchildren what you looked like during your playing days in college? Whether it's a photo of you as an athlete, you with classmates, a flyover, a scenic that you took during your years here or a great shot of you in front of the chapel, we can create something totally unique that is guaranteed to jazz up any bedroom, dorm room, game room, work out room, office or basement. They make great gifts for grandparents or nephews and nieces who are proud of their cadet and want to show them off to the world. We can also make life size prints of your kids, your hobbies or . . . **YOU!**

We don't just make Actionprints of sports—that's our biggest market by far—we can make an Actionprint removable wall graphic of any activity. Dance, theater, your hot rod, your hog or your dog, just name it. It doesn't matter if the photo was taken yesterday, or 50 years ago, we can make an Actionprint from any image. You provide the digital photo or print and we'll do the rest. We can leave the background of your photo in or we can remove it, it's up to you. Sizes start at 24" tall (maximum of 18" wide) and go all the way up to 72" tall (maximum of 40" wide). Each Actionprint is printed on a durable, removable and repositionable matte vinyl that can be placed on any semi-smooth interior surface and will last for years and years.

Actionprints make great gifts for any occasion, but don't wait to order because we know that we will be flooded with orders for Christmas. Start looking now for that special photo that you want to turn into a totally unique life size print and give us a call today at 1-877-260-0546 to place your order. Our standard turn-around time is 7-10 business days from the receipt of your order.

Important note: Overtime Sports Graphics, Ltd is **not** authorized to sell USAFA Licensed Merchandise and **will not** reproduce any image that is copyrighted by the United States Air Force Academy or the NCAA. Overtime Sports Graphics, Ltd. and Actionprint Lifestyle Wall Graphics are not associated with The United States Air Force Academy or Academy Athletics in any way. We are a service that takes a photograph that you own—that you own the right to reproduce—and turn it into wall graphic for your personal use and entertainment. We cannot market, print or sell images of any Air Force athlete or individual cadet unless they—or an immediate family member—order the print themselves for their own use or as a gift. We cannot print and sell the Air Force Athletics logo, cut out helmets or registered logos or symbols. When you place your order, you will be required to sign a waiver along with a release form that states that you own the rights to reproduce the photo as well as your relationship to the person in the photograph being used. **No exceptions.** The images of Air Force athletes contained on this flyer are courtesy of the athletes themselves along with Air Force Football and are meant to show samples of our work. They are not available for purchase by the general public.

FAX ORDERS TO 719-277-7231

Shipping Method:

- US Mail (free) USPS Express Mail (\$7.00)
 FedEx 2nd Day Air (Add \$15.00) FedEx Overnight (Add \$25.00)

How the Process Works:

- Complete this order form and either fax it to us or drop it in the mail. Let us know which of our three products you would like to order and what size you want.
- Make sure you sign the waiver/permission form at the bottom of this order form stating you have the legal right to reproduce the photo(s). **No work will begin on any project until we have a waiver on file.**
- Once you have mailed or faxed us this order form, email your photo(s) to photos@overtimesportsgraphics.com or mail prints to the address shown above.
- For photos that are too large to email (10 mgs maximum) you can burn them to a CD and mail them to us along with this form at the address shown above.
- In about 7-10 working days you will receive your print(s) in the mail via US Mail unless you have requested and paid for a different shipping method and indicated that on this form.
- Instructions will be included on how to apply your Actionprint Wall Graphic. Although each print is printed on durable, removable material, they must be handled with care and the installation instructions must be followed. We will not reprint or replace any Actionprint Wall Graphic that is not handled correctly or placed on any inappropriate surfaces as outlined in the instructions.

The quality of your final Actionprint wall graphic is **TOTALLY** dependent upon the quality of the original digital photo you submit. Our staff, imaging software and state of the art printers do an incredible job of making sure that we get only the highest quality when we enlarge your print, but we can't make a flawless print from a weak or fuzzy image.

- First and foremost, you **MUST** own the copyright to the image and be legally entitled to reproduce the image. You have to sign the waiver on the bottom of this order form.
- If possible, submit photos that were taken with a digital camera, not a scan of a print. This will eliminate any dust specs or scratch lines. We don't clean up submitted files unless you are willing to pay an extra fee. Call our customer service department if you only have a print to work from.
- We only accept digital files in .jpg format at this time.
- The higher the resolution of the original digital photo that you submit, the better your final print will look. Set your camera to it's highest setting. A recommend a setting of 4 mega pixels or higher. For those customers who are more comfortable with dots per inch (dpi), we recommend a resolution of 300 dpi. Anything higher than that is not necessary.
- The subject of the photo that you want to use in your Actionprint should fill most of the frame in your original digital photo. As an example, you wouldn't want to use a photo of your daughter playing soccer if you shot the photo all the way across the field with a normal lens.
- Visit our website for answers to most frequently asked questions or to order online via credit card.
